DEC/GSA PRICE FILE ON-LINE

Dear Customer:

GSA Pricing, and Terms and Conditions are now on-line on Digital's Electronic Store.

Call and let us know if you are authorized to use the GSA contract. If you are, when you log into the Store, you will be allowed access to the Store's GSA section which will show you terms and conditions, pricing, and overall GSA contract support information.

You can shop from your home or office 7 days a week, between 8 A.M. and 12 midnight EST. All you need is any VT100, VT200 or compatible terminal, and a 1200/2400 bps modem to shop on-line, electronically.

There is no charge for this service and the phone call is free.

You can look at Digital's latest hardware and software products, see demonstrations, answer your technical questions, review the latest press releases, and much more. Some products described on the Store may not yet be available under the GSA contract at this time.

Authorized purchasers can initiate orders with a single keystroke right then and there. We want to make it faster and easier for you to do business with Digital.

Registration is on-line and you can use the Store immediately. A few weeks after you've signed up for your account, you will be notified by mail of your permanent account number and password.

TRY IT. You will like what you see. Just dial 1-800-DEC-DEMO (1-800-332-3366). If you have any questions about the Store, call toll free for help 1-800-DEC-INFO.

Look for the Electronic Store advertisement in the July issue of DECdirect Plus.

Sincerely,

A handwritten signature in cursive script that reads "Hal Geller".
